

## FIRST BAPTIST of KINGSTOWNE

Dear Brethren,

I wanted to write and personally recommend Frank and Rebecca Suglio to you for the Gospel ministry. The entire family loves the Lord, has a heart for people, and a burden to reach the lost with the gospel. Frank and Rebecca have taken their experiences and translated them into their service for the Lord. They have been invaluable to us at First Baptist Church of Kingstowne.

Frank has helped to create defined systems of ministry that has enabled our church to grow. Through these systems he has enabled others to find a place in God's service that fits their gifts and talents. Specifically his creation of the discipleship system has enabled 20 of our people to become disciples of others. Our church specifically has a heart to plant other churches, and so does Brother Frank. Through his efforts we have built relationships that are enabling us to launch Baltimore Baptist Church, summer 2022.

Mrs. Rebecca has increased our online presence tremendously, and has enabled others to find us quickly and to stay in touch more readily. Her efforts have been invaluable also as the majority of people who visit our church check us out online first. The children have also jumped into ministry full force and have been a blessing in junior church, Sunday school, Awana, and special services.

Personally we have enjoyed working with the Suglio family. We are sorry to see them go as they take the next step in their journey in ministry. I recommend them wholeheartedly as they seek God's will for pastoral ministry.

I am available for comment and to discuss the Suglio family because there's just so much more that could be said that won't fit in a letter. Feel free to contact me.

In his service,

John H. Mix  
Senior Pastor  
First Baptist Church Of Kingstowne
